

Motivation

Better Than a Thousand

Romantic embrace a kiss on the face.
He loves her like lions love lamb.
He's got an agenda so he'll befriend her.
But friendship he can't understand.

She needs to be seen Queen of the scene.
She wants to conquer her man.
She says she adores him.
She'll take whatever she can.

He's a popular guy
so we'll always try to imitate his style.
We hope he'll accept us, but if he rejects us
we were fools all the while.
