

Hell No!

Better Than Ezra

Put your ear up to the speaker
Let your jaw drop
Witness this power of suggestion
Blow the roof off
Gods of war march into battle
Make the ground shake
Crowd appears, countdown has begun
Drop the bomb, 4, 3, 2, 1

Hell No! Y'all, We ain't gonna sit down
Hell No! Y'all, Gonna shake this mother to the ground
Hell No! Y'all, We ain't gonna back down
Hell No! Y'all, Gonna put you suckers in the ground

Fourth and long,
Casualties abound
In the hot sun
Final play, pile up in the endzone
Deed is done,
Damn, glad we won.

Hell No! Y'all, We ain't gonna sit down
Hell No! Y'all, Gonna shake this mother to the ground
Hell No! Y'all, We ain't gonna back down
Hell No! Y'all, Gonna put you suckers in the ground

Man, you will never let anybody disrespect you
Hell no!
You will keep your head held high
Whether you win or you lose
Because no one will come into our house
And tell us what to do!

Hell No! Y'all, We ain't gonna sit down
Hell No! Y'all, Gonna shake this mother to the ground
Hell No! Y'all, We ain't gonna back down
Hell No! Y'all, Gonna put you suckers in the ground
Hell No! Y'all, We ain't gonna sit down
Hell No! Y'all, Gonna shake this mother to the ground
Hell No! Y'all, We ain't gonna back down
Hell No! We ain't gonna back down.
