## WWOZ

## **Better Than Ezra**

WWOZ is on in stereo A string of flowers haloed around your head Candle light Ceiling fan Curtains blow away and back again Back again Don't wake me, I think I'm in a dream

Sleeping is easy I used to lay in bed for hours I've waited a lifetime now maybe I'll learn

Calling back and forth through heavy air The barges sound their warnings in the dark Peace comes like a trusted friend As it starts to rain again fall away Fall away So don't wake me I think, I'm in a dream

Now sleeping is easy I used to lay in bed for hours I've waited a lifetime now maybe I'll learn Sleeping is easy I used to walk the streets for hours. I've waited a lifetime now maybe I'll learn

Let go of you fear, let's grow old together Find a place along the way Let's reel through the years Each makes the other better. But what thoughts can I call allies when this circle of ribs keeps working on its own?

WWOZ's on in stereo. Well it's on in stereo.
