

# Ignore Me

Betty Who

You don't get to call like it's last year  
We're here and you're still getting it all  
When you broke it off  
You don't get to know about my life, my right, my highs  
Even the lows, you wanted to go  
You don't get to be with my friends  
They're not your friends, they're coming with me  
You wanted to leave  
You don't get to pry about my day, no way  
Boy, just give me some time

The best you thing you can do is just to ignore me  
Forget I was born  
Baby, ignore me since you don't need me anymore  
You can ignore me like we never met before  
Baby, ignore me since you don't need me anymore

You don't get to say that you know me, claim we're homies  
All of that changed when you walked away  
You don't get to go to my parties  
I throw parties for people I know and you wanted to be alone  
Don't forget that you're the one who walked out of my life, my life

The best you thing you can do is just to ignore me  
Forget I was born  
Baby, ignore me since you don't need me anymore  
You can ignore me like we never met before  
Baby, ignore me since you don't need me anymore

Oh yeah yeah, oh yeah yeah yeah  
Oh yeah yeah yeah, oh yeah  
Oh yeah yeah, oh yeah yeah yeah  
Oh yeah yeah yeah, oh yeah  
Oh yeah yeah, oh yeah yeah yeah  
Oh yeah yeah yeah, oh yeah  
Oh yeah yeah, oh yeah yeah yeah  
Oh yeah yeah yeah, oh yeah

You don't get to call like it's last year  
We're here and you're still getting it all

The best you thing you can do is just to ignore me  
Forget I was born  
Baby, ignore me since you don't need me anymore  
You can ignore me like we never met before  
Baby, ignore me since you don't need me anymore  
Just to ignore me, forget I was born  
Baby, ignore me since you don't need me anymore  
You can ignore me like we never met before  
Baby, ignore me since you don't need me anymore

Just ignore me, just ignore  
Just ignore me, just ignore
