

# In Crowd

Betty

I'm in with the in crowd  
(Do you wanna be in with me)  
I go where the in crowd goes  
(Do you wanna be in with me)  
I'm in with the in crowd  
(Do you wanna be in with me)  
And I know what the in crowd knows  
(Do you wanna)

Any time of the year  
Don't you hear  
Dressin' fine  
And makin' time

We breeze up and down the street  
We get respect from the people we meet  
They make way day or night  
They know the in crowd is out of sight

I'm in with the in crowd  
(Do you wanna be in with me)  
I know every latest dance  
(Do you wanna be in with me)  
When you're in with the in crowd  
(Do you wanna be in with me)  
It's so easy to find romance  
(Do you wanna)

Any time of the year  
Don't you hear  
In the square  
We lay there

We make every minute count  
A share is always the biggest amount  
Other guys imitate us  
But the original is still the greatest

In crowd  
In crowd

Any time of the year  
Don't you hear  
Spending cash  
Talking trash

I'll show you a real good time  
Come on with me and leave your troubles behind  
I don't care where you've been  
You ain't been no where till you've been in

In crowd
