

Kissing You

Betty

I like the stories you tell me
I like the way you think
I like the way you spend money
I like the beer you drink

But

I don't like
I don't like
I don't like
I don't like
I don't like kissing you

You
You
You

I like that you like my family
I like that you like my rules
I like that you like my glasses
I like that you like my tattoo

But

I don't like
I don't like
I don't like
I don't like
I don't like kissing you

You
You
You

I'm really sorry if I hurt your feelings
And if you never wanna see me again
Before you go can you do me a favor?
Introduce me to your best friend!

I don't like
I don't like
I don't like
I don't like
I don't like kissing you

Kissing you
Kissing you
Kissing YOU!
