

# Undamned

Bettye Lavette

Sometimes, the things we believe  
Turn out to be nothing but a scam  
I'm just tryin' to get my world undamned  
And spend my whole life alone  
(Someone) Who'd take me just as I am  
I'm tryna find me somebody  
To help me get my world undamned

I've got 1000 lost songs  
It's just too many just got away  
I've done 1000 things wrong  
Far too many for me to name  
But I'm still not too long gone  
To fall head Into the arms of lonely

Don't count me out just yet  
I'm not your lil lost lamb  
I might still be able  
To get my world undamned

I've got 1000 lost songs  
It's just too many just got away  
I've done 1000 things wrong  
Far too many for me to name  
But I'm still not too long gone  
To fall head Into the arms of lonely
