

Undamned

Bettye Lavette

Sometimes, the things we believe
Turn out to be nothing but a scam
I'm just tryin' to get my world undamned
And spend my whole life alone
(Someone) Who'd take me just as I am
I'm tryna find me somebody
To help me get my world undamned

I've got 1000 lost songs
It's just too many just got away
I've done 1000 things wrong
Far too many for me to name
But I'm still not too long gone
To fall head Into the arms of lonely

Don't count me out just yet
I'm not your lil lost lamb
I might still be able
To get my world undamned

I've got 1000 lost songs
It's just too many just got away
I've done 1000 things wrong
Far too many for me to name
But I'm still not too long gone
To fall head Into the arms of lonely
