

Selkies: The Endless Obsession

Between the Buried and Me

(Slip into something more comfortable... proceed into space)

Innocent individuals... concerned about nothing but happiness...
. progress becomes easy to do this social situation. Unfortunat
e turn of events... collapse this idea of the childish thought.

No judgment towards one another, no social status to compare...
all as one ...market this change... exploit the idea of innoce
nce... goddamn television god... corrupt me... separate us... g
roups of difference seem to comfort what we didn't think of...
this show was in their head for years... enjoy this life of won
der and imagination... for it will be torn down.

You will be torn down...
time to hate, kill, fuck, conquer...
this is human life at its best... we'll televise this event...
you can learn how to live, breathe... then finally die.

(The sweet relief is a must) We can speak obsession... we can l
ove the endless
