

## Scarecrow

## Between the Trees

Oh, scarecrow, it ain't so bad  
Just try and fit in this hollow man  
'Cause you've traveled so far  
From where it all began

Maybe I wasn't made for this world  
Maybe I wasn't made for this world  
All the space in between the soul and the seams  
Maybe I wasn't made for this world

I think I took the wrong path  
And I need to find my way back  
They say you're never too far  
To start it all again

Am I too far?

Maybe I wasn't made for this world  
Maybe I wasn't made for this world  
All the space in between the soul and the seams  
Maybe I wasn't made for this world

Oh, scarecrow, oh, scarecrow  
Is it really that bad?  
Oh, scarecrow, oh, scarecrow  
Is it really that bad?

Maybe I wasn't made for this world  
Maybe I wasn't made for this world  
All the space in between the soul and the seams  
Maybe I wasn't made for this world

Maybe I wasn't made for this world  
All the space in between the soul and the seams  
Maybe I wasn't made for this world

Oh, scarecrow, oh, scarecrow  
Is it really that bad?  
Oh, scarecrow, oh, scarecrow,

Maybe I wasn't made for this world  
[fades out]
