

# Hello Resolven

Beulah

Hello resolven  
Hello to you all  
Wake up the king, wake up the queen  
Everybody laugh, everybody sing, it's over

Hello resolven  
Hello to you all  
Wake up the king, wake up the queen  
Everybody laugh, everybody sing, it's over

Hello resolven  
Hello to you all  
Kill off the king, kill off the queen  
Everybody laugh, everybody sing, it's over  
It's over  
It's over  
It's over  
It's over  
It's over  
It's over
