

# Talk To Me

Beverley Craven

I don't know what I've done  
But Something isn't right  
So I've been second-guessing you  
Trying to read your mind  
How can I be on your side  
You won't confide in me  
Come on speak your mind, tell me why  
You can't talk to me

Talk to me, talk to me  
Let me try to understand  
The way you feel  
Talk to me  
I want to know everything  
Don't treat me like a stranger  
Let me in

If I've been patronizing  
I apologise  
I used to be the one you'd call  
For a friend's advice  
If I'm the one, what have I done?  
I don't know how you feel  
If I've let you down, tell me now  
You can talk to me

Talk to me, talk to me  
Let me try to understand  
The way you feel  
Talk to me  
I want to know everything  
Don't treat me like a stranger  
Let me in

Because when things get you down  
And you need someone around  
I'll be there  
And when it all becomes too much  
And you need someone to trust  
Please let it be me

Talk to me, talk to me  
Let me try to understand  
The way you feel  
Talk to me  
I want to know everything  
Don't treat me like a stranger  
Let me in
