

When You Gonna Learn

Beverley Knight

Have you heard the news today
People right across the world
Are pledging they will play the game
Victims of a modern world
Circumstance has brought us here
Armageddon's come too near
Too too near now
Now foresight is the only key
To save our children's destiny
The consequences are so grave
So so grave now
The hypocrites we are their slaves
So my friend to stop the end
On each other we depend oh we depend

Mountain high and river deep
We gotta stop it going on
We gotta wake this world up from it's sleep
Oh People, stop it going on

Oh yeah
Have you heard the news today
Money's on the menu in my favourite restaurant
Now don't talk about quantity
Cause there's no fish left in the sea
Greedy men been killing all the life there ever was
So you better play it nature's way
Or she will take it all away
And don't try tell me you know more than her about right or wrong
Oh you've upset the balance man
Done the only thing you can
Now my life is in your hands
In your hands it's in your hands

Mountain high and river deep yes
We gotta stop it going on
We gotta wake this world up from it's sleep yeah people
We gotta stop it going on

Ahahaha yeah

Mountain high and river deep
We gotta stop it going on
We gotta wake this world up from it's sleep
Oh people, we gotta stop it going on
Oh when you gonna learn stop it going on
When you gonna learn stop it going on
When you gonna learn stop it going on
When you gonna learn stop it going on
