Ave Maria

She was lost In so many different ways Out in the darkness with no guide I know the cost of a losing hand But for the grace of God, go I

Oh I, I found heaven on earth You are my last, my first And then I hear this voice inside Ave Maria

I've been alone When I'm surrounded by friends How could the silence be so loud But I still go home knowing that I've got you There's only us when lights go down

You are my heaven on earth You are my hunger, my thirst I always hear this voice inside Singing Ave Maria

Sometimes love can come and pass you by While your busy making plans Suddenly hit you and then you realize It's out of your hands Baby you got to understand

You are my heaven on earth You are my last, my first And then I hear this voice inside Ave Maria Ave Maria Beyoncé
