

# Hello

Beyoncé

Oh!  
Oh oh, oh oh oh oh...  
I love to see you walk into the room  
Body shining lighting up the place  
And when you talk, everybody stops  
Cause they know you know just what to say  
And the way that you protect your friends  
Baby, I respect you for that  
And when you grow, you take everyone you love along  
I love that you don't fly me away  
Don't need to buy a diamond key to unlock my heart  
You shelter my soul  
You're my fire when I'm cold  
I want you to know

You had me at hello  
Hello  
Hello  
You had me at hello  
Hello  
Hello  
It was many years ago  
Baby when you  
Stole my cool  
Cause you had me at hello  
Hello  
Hello, oh oh oh oh oh

I get so excited when you travel with me  
Baby, while I'm on my grind  
And never would I ever let my hustle  
Come between me and my family time  
You keep me humble out of this hype  
Cause you know there's more to life  
If I need you, you will be here  
You will make the sacrifice  
Don't fly me away  
Don't need to buy a diamond key to unlock my heart  
You shelter my soul  
You're my fire when I'm cold  
Just want you to know

You had me at hello  
Hello  
Hello  
You had me at hello  
Hello  
Hello  
It was many years ago  
Baby when you  
Stole my cool  
Cause you had me at hello  
Hello  
Hello, oh oh oh oh oh

Gotta feel you and be near you  
You're the air that I breathe to survive

Gotta hold you, wanna show you  
That without you my sun doesn't shine  
You don't have to try so hard for me to love you  
Boy, without you my life just ain't the same  
You don't have to try so hard for me to love you  
You had me at hello!

You had me at hello  
Hello  
Hello  
You had me at hello  
Hello  
Hello  
It was many years ago  
Baby when you  
Stole my cool  
Cause you had me at hello  
Hello  
Hello, oh oh oh oh oh  
It was many years ago  
Baby when you  
Stole my cool  
You had me at hello  
Hello  
Hello, oh oh oh oh oh...
