## I Was Here

Beyoncé

I wanna leave my footprints on the sands of time Know there was something that Meant something that I left behind When I leave this world, I'll leave no regrets Leave something to remember, So they won't forget I was here... I lived, I loved I was here... I did, I've done, everything that I wanted And it was more than I thought it would be I will leave my mark so everyone will know I was here... I want to say I lived each day, Until I die And know that I meant something in somebody's life The hearts I have touched, Will be the proof that I leave That I made a difference And this world will see I was here... I lived, I loved I was here... I did, I've done, everything that I wanted And it was more than I thought it would be I will leave my mark so everyone will know I was here... I lived, I loved I was here... I did, I've done, everything that I wanted And it was more than I thought it would be I will leave my mark so everyone will know I was here... I just want them to know That I gave my all, Did my best Brought someone some happiness Left this world a little better just because... I was here... I was here... I lived, I loved I was here... I did, I've done, everything that I wanted And it was more than I thought it would be I wanna leave my mark so everyone will know I was here... (I lived, I loved) (I did, I've done) (I lived, I loved)

(I did, I've done) I was here...
