

Jealous

Beyoncé

I'm in my penthouse half naked
I cooked this meal for you naked
So where the hell you at
Just one shot left of this drink, in this glass
Don't make me break it
I wish that you were me
So you could feel this feeling
I never broke one promise, and I know when you're not honest
Now you got me yelling that's because I'm jealous

If you keeping your promise, I'm keeping mine
Oh I'm jealous
If you keeping your promise, I'm keeping mine

Sometimes I want to walk in your shoes
Do the type of things that I never ever do
I take one look in the mirror and I say to myself
"Baby girl, you can't survive like this"

Take it one step further
Freakum dress out my closet
'Yonce fillin' out this skirt
I look damn good I ain't lost it
And I ain't missed a beat boy
You been hanging out at night tonight
I'm staying out 'til tomorrow
Dancing on them tables ain't got no cares, no sorrows
I ran into my ex, said what up to his besties
Now we reminiscing how we used to flex in Texas
Don't be jealous

If you keeping your promise, I'm keeping mine
Oh I'm jealous
If you keeping your promise, I'm keeping mine

Sometimes I want to walk in your shoes
Do the type of things that I never ever do
I take one look in the mirror and I say to myself
"Baby girl, you can't survive like this"

And I hate you for your lies and your covers
And I hate us for making good love to each other
And I love making you jealous but don't judge me
And I know I'm being hateful but that ain't nothing
That ain't nothing
I'm just jealous
I'm just human
Don't judge me

If you keeping your promise, I'm keeping mine
Oh I'm jealous
If you keeping your promise, I'm keeping mine
