

# Smash Into You

Beyoncé

Head down as I watch my feet take turns hitting the ground  
Eyes shut, I find myself in love racing the Earth  
And I soaked in your love  
And love is right in my path, in my grasp  
And me and you belong

I wanna run, run smash into you  
I wanna run, run, smash into you

Ears closed, what I hear no one else has to know  
Cause' I know that what we have is worth first place in gold  
And I soaked in your love  
And love is right in my path, in my grasp  
And me and you belong

And I, I wanna run, run smash into you  
I'm willing to run, run smash into you

Whooaaahooo whooaaahooo

Head down as I watch my feet take turns hitting the ground  
Eyes shut, I'm in love and I'm racing the Earth  
And I soaked in your love  
And love is right in my path, in my grasp  
And me and you belong

And I wanna run, run smash into you  
I'm willing to run, run smash into you  
I'm willing to run run run run run ooh ooh ooh ooh  
I wanna run, run smash into you  
I'm willing to run, run smash into you
