

## The Closer I Get to You

Beyoncé

The closer I get to you  
The more you make me see  
By giving me all you got (tell me more)  
Your love has captured me

Over and over again  
I tried to tell myself that we  
Could never be more than friends  
But all the while, inside , I knew it was real  
The way you make me feel

Lyin' here next to you  
Time just seems to fly  
Needing you more and more (more and more)  
Let's give love a try

Sweeter and sweeter love grows  
And heaven's there for those  
Who fool the tricks of time  
With hearts of love will find  
True love in a special way

Come a little closer so that we can see  
Into the eyes of love  
Just a little closer let me speak to you  
I want to softly tell you something  
Come a little closer let me whisper in your ear  
Cuz I wanna tell you something  
Move on in real close so we can celebrate  
The way we feel a bout each other's loving
