

## Never Nothing New

### Beyond Possession

Ya he's stuck, he's stuck right here  
He's looking for an escape  
Has to hide his fear  
He needs a change  
He needs it bad  
'Cause when he looks around  
He's feeling sad

Feelin' so closed in inside his shell  
His being consumed  
Devouring himself  
Torn inside out  
By doubt and disbelief  
Life force exists  
It is you it deceived
