

# Everything Is Beautiful And New

**Bic Runga**

I see houses filled with colored light  
Trees and mountains bowing to the sky  
I can tell my loneliness to you  
Everything is beautiful and new

Clouds like horses rushing at the sea  
Grasses leaning, learning to be free  
Things that left me puzzled in my youth  
Everything is beautiful and new

Everything is beautiful and new  
Things I've seen, I know this to be true  
I can tell my happiness to you  
Everything is beautiful and new

I see harbors filled with colored sails  
Crowds of people smile about their way  
Nothing can be honored but the truth  
Everything is beautiful and new

Everything is beautiful and new  
Things I've seen, I know this to be true  
I can tell my happiness to you  
Everything is beautiful and new
