

# I Don't Mean It

**Bic Runga**

Don't make me laugh  
I'm not sure I'll feel it now  
Believe in the reason  
Straight from your heart  
What you gonna tell your friends?  
When they ask you all about it

I guess that's alright  
Always saying I don't mind and I say it all the time  
I don't mean it

Don't even start  
I'm not even listening now  
No feeling I'm hearing  
Straight from your heart  
What you gonna tell your friends?  
When they ask you all about it

I don't mean it (6x)

I don't mean it (6x)
