

## Something Good

Bic Runga

Just wanna know ya, just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya, never been mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today

If I were honest I'd tell you everything  
But it keeps coming out as lies  
It's not a promise, in case you're wondering  
It's not some blessing in disguise

But something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good thing's gonna happen today

I know romance is not in fashion and my heart is on the line  
If you would be so kind to help me kill some time  
Then something good just might come crashing  
From the stars that light the sky  
If you would be so kind to help me kill some time

Just wanna know ya, just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya, never been mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good thing's gonna happen today

Something good will come our way  
Something good will come our way  
Something good will come our way  
Something good will come our way

Something good will come our way  
Something good will come our way  
Something good will come our way
