Sway

Bic Runga

Don't stray, don't ever go away I should be much too smart for this You know it gets the better of me

Sometimes, when you and I collide I fall into an ocean of you, pull me out in time Don't let me drown, let me down I say it's all because of you

And here I go, losing my control I'm practicing your name So I can say it to your face It doesn't seem right to look you in the eye

Let all the things you mean to me Come tumbling out my mouth Indeed it's time to tell you why I say it's infinitely true

Say you'll stay, don't Come and go like you do Sway my way, yeah I need to know all about you

And there's no cure and no way to be sure Why everything's turned inside out Instilling so much doubt

It makes me so tired, I feel so uninspired My head is battling with my heart My logic has been torn apart And now it all turns sour Come sweeten every afternoon

Say you'll stay, don't Come and go like you do Sway my way, yeah I need to know all about you

Say you'll stay, don't Come and go like you do Sway my way, yeah I need to know all about you

It's all because of you It's all because of you

Now it all turns sour Come sweeten every afternoon It's time telling you why I say it's infinitely true

Say you'll stay, don't Come and go like you do Sway my way, yeah I need to know all about you Say you'll stay, don't Come and go like you do Sway my way, yeah I need to know all about you

It's all because of you It's all because of you It's all because of you
