

Lost out, beat up  
Dancin', down there  
I found you, somewhere out  
'Round 'round there, right right there  
Lost and beat up  
Down there, dancin'  
I found you, somewhere out  
Right down there, right 'round there

Lost and, found out  
Turned out, how you thought  
Daddy, found out  
How you turned out, how you turned out  
If mama knew now  
How you turned out, you too wild  
You too wild, you too wild  
You too wild and I need you now

Don't fool yourself  
Your eyes don't lie, you're much too good to be true  
Don't fire fight  
Yeah, I feel you burning, everything's burning  
Don't fly too high  
Your wings might melt, you're much too good to be true  
I'm just bad for you  
I'm just bad, bad, bad for you

I was lost and beat up  
Turned out, burned up  
You found me, through a heartache  
Didn't know me, you were drawn in  
I was lost and beat up  
I was warm flesh, unseasoned  
You found me, in your gaze  
I found you, oh Jesus  
I was too wild, I was too wild  
I was too wild, I was too wild  
I was too wild, I was too wild  
And I need you now
