

Any Day Now

Bif Naked

anyday, now... it's gonna start - my real life.
and anyday, now: everything is gonna be all right...
anyday, now: life's gonna get real good.
and somehow: life'll be like i sed it would

anyday, now - mark my word!
anyday, now - i will be heard!
anyday, now - my ship will finally come in...
anyday, now: i'm gonna jump right in.

and anyday, now: my destiny will begin.
and until then i'll just be here
wasting my time...
but, don't you worry,
i'll be just fine:

anyday, now - mark my word!
anyday, now - i will be heard!
anyday, now - my ship will
finally come in...
