

## Dress

**Bif Naked**

On the TV Rosanne is all upset  
because she has to go to some dumb party  
with Dan and she has absolutely nothing  
to wear and Dan isn't very sympathetic  
and I feel bad for her 'cause I feel the Sam  
About never having anything to wear  
when you feel like you have to look nice.

I mean I have my Favorite outfit  
consisting of my green holly hobby dress  
with the pink buttons, pink ballet tights  
Do my docs and my hello kitty barrettes.  
More the aerial ones, but you can only  
let someone see you with a dress  
like that around your neck  
Once.
