

Honeybee

Bif Naked

There's been a murder
In my kitchen
I hit him hard
I hit him fast
I watched him die

And for the life of me
I'm still missing
A good excuse
Explanation
A reason why

Don't you cry for me
In the penitentiary
I did the crime
I'll do my time

And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee

Although it hurt me
I still know better
I'm a killer
It's a fact
I can't deny

And when the deputy
Came a-looking
He took me down
I did confess
I did not lie

Don't you cry for me
In the penitentiary
I did the crime
I'll do my time

And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee

Oh honeybee
Have mercy on me
On my knees I beg

Honeybee
You're torturing me
This must be that honeybee's revenge

Let's go!

Don't you cry for me
In the penitentiary
I did the crime

I'll do my time

And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee
