

Rock Star Man

Bif Naked

He phones to yak and wack wack wack, this irritating boy.
Step on a crack to break his back, for he brings to me no joy.
He speaks too long i reply in tongues
He doesn't understand.
Can he not see i must be free, for me he's not the man?
Dissatisfied, i hear his lies and reply candidly,
"please, rock star man, change all your plans, and please stop
phoning me!"
