

10 Bodies

Biffy Clyro

Tell me the name of
Each of the bodies
Zipped up and drained of
Every drop of fluid, and I

Send love away
Zipped up the bag
Floated away, and I
Send love away

What's in your main glove
A victim's poser
Now every cell's gone
Semi-tarpaulin, cos I

Send love away
Zipped up the bag
Floated away, and I
Send love away

Ten bodies are better than none
