

Do You Remember What You Came For?

Biffy Clyro

How do you suppose we go from east to left in a semi tangent graph?

Collapsed inside a useless thin-screened fully coloured tube

Opinions change, only because we both know, we both know of

The first collage, and what it held, experience tells of a sinister plan

Do you remember what you came for? Do you remember what you came for? The children

How do you suppose we go, from west to right in a fully rounded route
