Do You Remember What You Came For?

Biffy Clyro

How do you suppose we go from east to left in a semi tangent gr aph? Collapsed inside a useless thin-screened fully coloured tube Opinions change, only because we both know, we both know of The first collage, and what it held, experience tells of a sini ster plan Do you remember what you came for? Do you remember what you cam e for? The children How do you suppose we go, from west to right in a fully rounded route
