

## Opposite

Biffy Clyro

You are the loneliest person that I've ever known  
We are joined at the surface but nowhere else  
I look in the glass and stare at your, strained, grey, motionless face and ask  
Underneath, is there a golden soul?

Take care of the ones that you love  
Take care of the ones that you love

Baby, I'm leaving here  
You need to be with somebody else  
I can't stop bleeding here  
Can you suture my wounds?

Everyone is beginning to breathe as I break down  
You are in love with a shadow that won't come back  
Sooner or later we all have to wake  
Try forgetting everything  
Underneath, there's a perfect sky

Baby, I'm leaving here  
You need to be with somebody else  
I can't stop bleeding here  
Can you suture my wounds and feelings?

Baby, I'm leaving here  
You need to be with somebody else  
I can't stop bleeding here  
Can you suture my wounds and feelings?

Ahh Ahh  
Ahh Ahh

Baby, I'm leaving here  
You need to be with somebody else  
I can't stop bleeding here  
Can you suture my wounds and feelings?

Baby, I'm leaving here  
You need to be with somebody else  
I can't stop bleeding here  
Can you suture my wounds?
