Big Audio Dynamite

(Go ahead London)
Bad life, Bad language
Bad news, Bad

When I'm at home my woman won't leave me alone
And that's bad, so bad

So I walked out of the door and it seemed worse than before
And that's bad, so bad

And the thought occurred to me, how come that everything you see
Is so bad, so bad

But before I realised, hit by a truck and paralyzed
And that's bad, so bad

A golden opportunity claim my insurance policy
HMMMMMM... so bad

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Go ahead London)
(Crazy)

Watch TV go goggle-eyed
See a horror movie get petrified
Go dye your hair use peroxide
Smoke a spliff get red eye

To the allied powers he notified
Went into Poland, the place he occupied

Making love you got to be satisfied
Make a mistake it's got to be rectified
Jesus Christ got crucified
So the Empire Rome could get gratified

(Crazy, crazy, crazy)
These are the things that make me bad

From the dancefloor I can see decadent society
And that's bad,so bad

As diverse as it could be, it's still cold and empty
And that's bad, so bad

There's the floor, that's the score
You don't like it, there's the door
And that's bad, so bad

Attitudes of some would say I got money, I'm okay
And that's bad, so bad

These are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Bad)
(Crazy)

Yeah, yeah

Do it, do it, do it

Got to modify your wheels if you want a low ride
On the windscreen says tax applied
Play your music loud well amplified
Each selection bona-fide
Hawaii 5.0 deals with homicide
On the slab the victims get mortified
Some people like to eat Kentucky Fried
Others like a Big Mac and French Fries
Nation's economy is on a downward slide
On the best course of action no one can decide
Company cheques got to be verified
Poor people got no money but they got their pride
Cop on wheels is Ironside
East, sleep, work, cheap, nine to five
Reagan won in a landslide
Which brings us back to RawHide
(RawHide)
