

## Big Time Operator

## Big Bad Voodoo Daddy

I like to sneak a drink and roll my smoke  
You see I like my collars pressed  
I wear big ol hats and fancy ties  
As and I hang late with my friends

I can take it on the chin with a Cheshire grin  
I'm a sinner V.I.P  
You know I like mixed drinks I likes what I thinks  
I think you know just what I mean

You know that heroes and legends are one and the same  
It's a how you play the game  
You see, I'm no fool I'm from the old school  
Its the fire from the flame

I like a big ol car, and fine cigars  
You know I'll pick your pockets clean  
I'm a snake-eye rollin', big league bowlin'  
And I clean up on the green

I got the Jack, the Ace, the King and Queen  
You know I like my women mean  
'Cause I'm a big time operatin'  
Never ever hesitatin' sinner V.I.P

'Cause I'm a big time operatin'  
Never ever hesitatin' sinner V.I.P
