

## King Of Swing

**Big Bad Voodoo Daddy**

When you feel your bones a shakin,  
and your temperature is risen,  
and the groove begins to move you,  
it's the King of Swing....

'King of Swing'

When you see those fires' burnin,  
and your fever is a risin  
An the drums begin a poundin  
It's the King of Swing...

'King of Swing'
