

## You And Me And The Bottle Makes 3

**Big Bad Voodoo Daddy**

Please Baby... Let's get it right  
I don't think I can take it...one more night.  
I know I love you, I love you, I love you as though the stars are mine  
So please Baby, show me that you are mine.  
Please Baby...Let's not fight  
I don't think I can take it...one more night.  
I know I love you, I love you, I love you as though the stars are mine  
So please Baby, show me that you are mine.  
Please Baby...Let's keep it right  
I wanna make love to you baby  
all through the night  
I know I love you, I love you, I love you as though the stars are mine  
So please Baby, show me that you are mine.
