

You And Me And The Bottle Makes 3

Big Bad Voodoo Daddy

Please Baby... Let's get it right
I don't think I can take it...one more night.
I know I love you, I love you, I love you as though the stars are mine
So please Baby, show me that you are mine.
Please Baby...Let's not fight
I don't think I can take it...one more night.
I know I love you, I love you, I love you as though the stars are mine
So please Baby, show me that you are mine.
Please Baby...Let's keep it right
I wanna make love to you baby
all through the night
I know I love you, I love you, I love you as though the stars are mine
So please Baby, show me that you are mine.
