

## In My House

Big Black

You just best believe I'm the only girl in your life  
I'll bring you sugar in the morning and the sweet stuff you eat  
at night  
You just believe when it comes down to making love  
I'll satisfy your every need and every fantasy you dream of  
When you need some piece of mind  
Just call for me anytime  
I'll keep you happy and so satisfied  
My house, my house  
If you need some love and tenderness  
And it's me, baby, that you miss  
There's a key to unlock the door  
My house, my house  
My house  
My house  
My house  
Anytime, day or night, when you call me I will be there  
Just call me up on the phone when you need someone around to ca  
re  
When you feel sad and low  
Just come and see me anytime  
I'll kiss away all your fears  
And your tears you will leave behind
