

## The Model

**Big Black**

She's a model and she's looking good  
I'd like to take her home with me, that's understood  
Playing hard-to-get, she smiles from time to time  
It only takes a camera to change her mind

Posing for consumer products now and then  
I even saw her on the cover of a magazine  
She's going out to nightclubs drinking just champagne  
She is looking good, I want to see her again
