

Apple of My Eye

Big Boi

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

In the beginning they said he did it
They still selling cuz they letting every tom because he did it
Therefore I'm quitting, have to leave
In it like the weed with the seeds and then I proceed like a G pimpin
And some of the things you probly seen in your life boy
You think a certain kind, the way I bout found in your wife
Boy your better half, it's better to love and to hold
And to never have it at all than ball on these hoes man
Get stuck gon puff, my apple start split to the gamble
Called it at 40 and I was over 6
(With this trick!)
And that's a hundred those
So overseas you might catch us eatin none those

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Some say the preachers' daughters are some of the freakiest ones
They'd end up having fun and now they just wanna cut loose
Like everybody else, they run and try to find they self
And bout that time they think they barely have nobody left
Over, feeling empty and alone
Cuz the youth is on, the thrill has been killed so let the truth be told
Look in the window my dear and it appears that the eyes are the window to th
e soul
Oh!

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

I'm up, say what?
I'm up, I say uh
To my people say ah ah ah leggo

I, I'll be your big boy baby
Your big boy baby
You love sweet red, delicious love

I, I'll be your big boy baby

Your big boy baby
You love sweet red, delicious love

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Give me one reason to wait
Give me one reason to wait
You're the apple of my eye

Why? Why? Why? Why? Why?
Why? Why? Why? Why? Why?
Why? Why? Why? Why? Why?
Why? Why? Why? Why? Why?

You're the apple of my eye

Wake up!
