Been a serial killer, oh nice to meet you, best believe that
Like Ripley's boy, don't tempt me
I f**k around and leave your koolaid glass half empty
Your time is running, I'm just like the sand in it
Been jamin in half, well you niggas know you can't get it
That's right, it as in IT

In the rear seat is a fat black nigga with a smile like Denzel
Pretty model bitch with me movin bout as graceful as a gazelle

Skinny as a pencil, foreign like a pretzel

Snitchin ass bitches get evicted, no bus fair
Grown ass women ride a Bentley that's so clear
