OK is what you say when you're ready to ball
We're too hot for club
they ain't ready at all
And if you come to party
then get up off the wall
Quick we don't slip,
make hits on a regular
Club spots get rocked
when we come in
Ok round my neck and wrist
I'm looking stunning
About to go by the bar,
are you coming

OK now let me tell you what this song is all about Party people let me hear you scream and shout Without a doubt Cause I am about to turn this whole party out I know that you're feeling this Cause I see you bumping all your heads to this Especially the men cos they be feeling this bliss Cause they see the ladies all shaking their hips Don't just stand there, throw your hands up in the air And you sitting down just get up off the chair You don't see a party going on over there

If you got a job and money in your pocket
Let me hear you say (OK!)
All my ladies if y'all don't care
Let me hear you say (OK!)
And if that's your car
parked outside the
Bar let me hear you say (OK!)
And if you're dressed to
impress, you don't take stress
Let me hear you say (OK!)

Well it's the year 2G,
gotta get your own
Gotta have your home
get your phone
Getting money from your
man that's a NO NO
Gotta get a job so you get paid
Gotta get a man so you get,
I know you understand

Now for the men gotta ditch your friends
Gotta meet your ends.. so you can drive a new benz.
Move out your mum's gotta get some garms
Gotta fix up be a real man.
So.....

If you got a job and
money in your pocket
Let me hear you say (OK!)
All my ladies if y'all don't care
Let me hear you say (OK!)
And if that's your car
parked outside the
Bar let me hear you say (OK!)
And if you're dressed to
impress, you don't take stress
Let me hear you say (OK!)

Pulled up on chrome, left wifey back at home Got some fresh gear, and all kinds of ice on Gotta pocket full of doe, you know If you got the same things Let me hear you go, Okay We're gonna party till the break of day B B coming through, and we're here to stay Better make way And if you got game, its time to play I'm trying to find me a dime That just say, okay
