Oh yeah!....you know what? I'm envisioning, Pretty women, Rims spinning All my homies dressed In expensive Linnen

It ain't a dream
That's the life we're livin
Mov'in up to a new position

People used to look
And be like, I ain't
never gonna be shit
That's until I gotta
6 Hundred, v dozen full y equipped whip
And I never stop stacking chips
Fool, got bling in the chain
Got bling on the wrist
And this type of life is priceless
Cause ain't nothing
on earth like this
What you know

When it's hot it gets crazy, we pop Krystal on a daily Just me and my ladies, we know how to make you move your feet to the beat Can you feel the heat tell me sisters do you feel me brothers roll with me

Summertime is the time you've been waiting for oh yeah!
There's always a party
somewhere round the
way - oh yeah
Summertime is the time you've been waiting for oh yeah!
There's always a party somewhere round the way - oh yeah

Boys and girls, go
find yo friends
Ladies and gentlemen,
call your partners
Let them feel this time
of year again
Don't be scared to shout
Come on and move yo
body lets all get down
Tap yo feet to the beat
Come on and party with me

It's a pretty hot day and all I wanna do is play with the homies from around the way okay!

Hater's better stay in the crib if they wanna come spray Mac 10's and tech 9's all the time, see we trying to have fun and it doesn't matter where your from, so if you strap Please don't come out

Me and my family don't hate us look we are making papers we simply the greatest, Big Brovaz u know u love us u can't deny us, so come and join us get off your chair and throw your bows in the air We repping southside bric city better beware

Summertime is the time you've been waiting for oh yeah! There's always a party somewhere round the way - oh yeah

alright.

with your Guns see us having a party sipping on Bacardi.

Summertime is the time you've been waiting for oh yeah! There's always a party somewhere round the way - oh yeah

Sexy guys in their convertibles Oh and how they're checking you Coz they wanna know who you are when in the sun Its unbelievable all eyes, they be watching you coz they want you're name and number

Ain't nutten but riding going on, ball out to my song I done got me a hot whip Now I got them hot chick stripping down to their thongs Don't hate me, cuz I'm on top baby that's just where I belong So long Big Bro's bin waiting for their time to perform, you get me And now it's popping its gonna get real messy Don't think were crazy fools cuz we role around town rocking crazy jewels We already dun paid our do's now Big Bro's the family that's making the moves Only got one motto "Never to lose" Get your hands in the air now follow the rules

Summertime is the time you've been waiting for oh yeah! There's always a party somewhere round the way Summertime is the time you've been waiting for oh yeah! There's always a party somewhere round the way
