

## 1000 Stars

Big Country

Now we play our final hand  
Move in closer, understand  
This time like never before  
Only the black queen scores  
A card so high and so wild  
We should burn it

The luck of a thousand stars  
Can't get me out of this  
The luck of a thousand stars  
Losing its charm

There are people I have loved  
Hypnotized by lies  
In defensive disguise  
Some say protect and survive  
I say it's over

The luck of a thousand stars  
Can't get me out of this  
The luck of a thousand stars  
Losing its charm

Hold me through the darkest night  
I feel secure in your arms  
While all the city's on fire  
It's not between you and me  
But we are losing

The luck of a thousand stars  
Can't get me out of this  
The luck of a thousand stars  
Can't get me out of this  
The luck of a thousand stars  
Losing its charm
