

## Bella

## Big Country

If we could fly  
In the dreaming of dreams  
And you came to me  
I would welcome you in

But now I'm awake  
In the dark on my own  
With nothing to read  
And it's too late to phone

Bella don't cry, Bella don't cry  
Time passes by, and loneliness flies  
Someday we'll be together  
Though it may be forever  
Bella don't cry, Bella don't cry

We talk across waters, we walk in the air  
Look for reminders of reasons we care  
Fill up our days with meaningless acts  
Watching the clock as it tries to turn back

Bella don't cry, Bella don't cry

Time passes by, and loneliness flies  
Someday we'll be together  
Though it may be forever  
Bella don't cry, Bella don't cry

And if the place for us  
Is far beyond this earth  
I'll wait in peace for you  
If I should be there first

Someday we'll be together  
Though it may be forever  
Bella don't cry, Bella don't cry

Someday we'll be together  
Though it may be forever  
Bella don't cry, Bella don't cry  
Bella don't cry, Bella don't cry
