

Hail & Farewell

Big Country

Time now
Time to say goodbye
All is forgiven here

Waiting
For the bells to ring
For New Year's to begin

Hail and farewell
Life begins again

Hail and farewell
I'm coming home

Let old
Acquaintance be forgot
And never
Brought to mind

Waiting
For the bells to ring
For New Year's
To begin

Let the bells ring out

Hail and farewell
Life begins again

Hail and farewell
Wherever you may roam

That's where I'll be

Hail and farewell

Wherever you may roam

That's where I'll be
