

# John Wayne's Dream

Big Country

I could walk in  
To the sunset  
With my best girl by my side  
I would pull her up beside me  
And together we would ride

Hey Ma  
Hey Pa  
Look at me standin' tall  
Brother  
Sister  
Look at them bad guys fall

I'm walkin' and talkin' real slow  
Out where the tumbleweed blows  
Hey Ma  
Hey Pa  
Let those wagons roll!

I played poker  
With a doctor  
Stand straight up  
And call him cheat  
Then I walked those 20 paces  
I gunned him right down  
In the street

Hey Ma  
Hey Pa  
Look at me standin' tall  
Brother  
Sister - (Ha! )  
Look at them bad guys fall

I'm walkin' and talkin' real slow  
Out where the tumbleweed blows  
Hey Ma  
Hey Pa  
Let those wagons roll!

Don't wake me up  
I'm dreamin' John Wayne's dream  
Under a sky so big  
On a prairie green

Please leave me here  
In John Wayne's dream - (Yeah! )

I'd ride shotgun  
On a stagecoach  
Keep those bandits  
From my girl  
And I'd hold her  
Around the waist, man  
I'd run my rough hands  
Through those curls

Hey Ma  
Hey Pa  
Look at me standing tall  
Brothers - (Ha! )  
Sisters  
Look at those bad guys fall

I'm walkin' and talkin' real slow  
Out where the tumbleweed blows  
Hey Ma  
Hey Pa  
Let those wagons roll!

Don't wake me up  
I'm dreamin' John Wayne's dream  
Under a sky so big  
On a prairie green

Please leave me here  
In John Wayne's dream

Hey Ma  
Hey Pa  
Look at me standin' tall  
Brother (Ow! )  
Sister  
Look at them bad guys fall

I'm walkin' and talkin' real slow  
Out where the tumbleweed blows  
Hey Ma  
Hey Pa  
Let those wagons roll!
