

# King Of Emotion

Big Country

I know where all that time has gone  
Blown and drifted, listening to an August night  
I see where I was wrong  
But how could I know that you were right  
When you said I would need something wild  
Something crazy to carry me  
I would see you naked and weary  
But with pride in your eyes that put shame in me

I wait to find the things I need but I know

I want that love  
King of Emotion  
Stronger than you and so much deeper than me  
I know that love is King of Emotion  
King of Emotion take a walk with me  
I know that love is King of Emotion  
King of Emotion take a walk with me

You know where all that time has gone  
Grown up and left, washed out like an April day  
See all those pretty little things you knew  
Worn and faded they lie cast away  
You said you would need something wild  
Something special to carry you  
You would see me naked and weary  
But with pride in my eyes that put shame in you

Until you find the things you need I know

I want that love  
King of Emotion  
Stronger than you and so much deeper than me  
I know that love is King of Emotion  
King of Emotion take a walk with me  
I know that love is King of Emotion  
King of Emotion take a walk with me

Until we find the things we need I know

I want that love  
King of Emotion  
Stronger than you and so much deeper than me  
I know that love is King of Emotion  
King of Emotion take a walk with me

I want that love  
King of Emotion  
Stronger than you and so much deeper than me  
I know that love is King of Emotion  
King of Emotion take a walk with me
