

If We Want To

Big D And The Kids Table

I could not ever see myself packing up and taking off just to f
all asleep and work again
I will not count my sleep hours Let 'em all just have me all gr
oggy and incoherent I just met a crazy girl who's sane so I'm n
ot about to leave just yet
Only an idiot would say "right on I'll see ya" Just to go home
and think what coulda been.
We've both finished ripping off all the labels on the pantry ca
ns
We've all succeeded hurling the tv still plugged in down the fr
ont stairs.
So Why not
Chorus:
'cause we can stay if we want to
She could not ever think of leaving everyone she knows is never
all in the same place
The 8 hours she spends hardly working with this she would gladl
y replace
All she wants is what we want free time laughing with no design
ated end
She told me "I will not be a slave to time, time must learn to
roll with me" So why not
Chorus
'cause we don't care like they do
It cannot stop too many of us laughing each other on we cannot
stop we need more trouble before the night is gone
So why not
Chorus
So why not
Chorus:
'cause we don't care like they do 'cause I'm not gonna stay as
long as you do.
